

WOW! Internet, Cable and Phone Services Now Available to Nearly 200,000 Ohio Residents with Addition of Parma Market

WOW! continues rapid Ohio expansion, providing a different choice to thousands of new customers since 2017

Cleveland – October 24, 2019 – [WOW! Internet, Cable & Phone](#) (NYSE: WOW), a leading broadband and communications service provider, continues to expand its Cleveland-area footprint with services now available to thousands of potential customers in Parma, a suburb south of Cleveland. Residents and businesses in Parma now have even more Internet provider choices with access to the full suite of WOW!’s services, including WOW!’s fastest 1 Gig Internet speeds.

WOW! has been rapidly expanding its Ohio footprint since 2017, bringing service to new residential customers in 14 new communities, including the most recent additions of [Lyndhurst](#), [Mayfield Heights](#), [Willowick](#) and [Wickcliffe](#). Now, nearly 200,000 Ohio residents have access to WOW!’s fastest 1 Gig Internet speeds and to its [award-winning customer service](#).

When paired with the appropriate equipment and 1 Gig compatible devices, a 1 Gig (1,000 Mbps) Internet connection, users can download a full-length HD movie in 36 seconds, 25 songs in one second and enjoy more playing time and less buffering with online gaming.

“Our local teams have worked hard to offer our Internet, cable and phone services to 14 new Ohio communities in just under three years,” said Greg Argetsinger, WOW! vice president of operations. “We will continue to expand across Ohio, bringing choice and a better customer experience to all our neighbors.”

Ohio-based WOW! customers also have access to WOW!’s Whole-Home WiFi solution which provides customers with a custom, scalable network to stream, work and browse from every corner of their home. Instead of using a single router, Whole-Home WiFi is customized to every home using multiple access points, learning your space, devices and network usage to deliver fast Internet anywhere you need.

WOW! residential services are easily bundled to provide the fastest Internet speeds with the cable and phone packages best suited to each customer’s needs. WOW! offers four residential Internet speeds: Internet 100 – up to 100Mbps, Internet 200 – up to 200Mbps, Internet 500 – up to 500Mbps and Internet 1000, WOW!’s offering with speeds up to 1Gbps – the fastest residential speed in WOW!’s bundles.
